

Real Warmth Award Winning Beauty

EL24R Electric Log Set

EF35R Electric Fireplace and Kensington Mantel

EL24R Electric Log Set

The Revolution™ Series Electric Log Sets

Recreate the warmth and ambiance of a real fire and easily retrofit into existing wood-burning fireplaces. Simply plug into a standard outlet and enjoy realistic flames and convenient on/off operation when you want to have a fire. Available in 24" and 30" models to fit a variety of fireplace sizes. Awarded the 2007 Vesta award for electric fireplaces, stoves and logs.

Electric Fireplaces

Fully freestanding electric fireplaces can be used with Revolution mantle options or your own custom design. Revolution fireplaces are simple to install and make a great addition for any room in the home. Available in 23" and 35" models.

- Patented flame technology – highly detailed logs and glow
- Easy installation – plug and play
- Requires no venting – use in existing or new applications
- Fully functional remote control – adjusts flame intensity and heater settings
- Two levels of heating – 2,500 or 5,000 BTU/hr
- Energy efficient and environmentally friendly – pennies per hour to operate
- Convenience – no hassle with open flames, ashes, or odors
- 5 year limited warranty
